

Keep your smile healthy and bright

With a dental plan from Anthem Student Advantage

Keeping up with dental checkups is just as important as you age as it was when you were a kid. Regular checkups not only keep your teeth healthy, but they also can detect more serious health problems. That makes having a dental plan a pretty bright idea — and Empire Student Advantage makes it budget friendly.

Who is eligible?

All students and their dependents enrolled on the Marist College medical plan are automatically enrolled in the dental plan.
