A young man with dark hair, wearing an orange ribbed beanie and a dark blue hoodie over a black and white striped shirt, is sitting at a dark table in a bright, modern cafe. He is looking off to the side with a thoughtful expression. In the background, other people are blurred, and the cafe has a warm, wooden interior. A red object is on the table in front of him.

**Welcome to
Anthem
Student
Advantage**

As your new school year begins, it's important to understand your health care benefits and how they work. Your Anthem Student Advantage plan will help guide you through that process with information about who is eligible, what is covered, how much it costs, and the best ways to access care.

What you need to know about Anthem Student Advantage

Who is eligible?

You will be required to participate in this plan on a hard waiver basis if:

- You are a Full time student with an F1, J1 or other Visa Statute

Coverage is available for dependents, too.

If you are covered by Anthem Student Advantage through Pace University, you may enroll your lawful spouse, domestic partner or dependent children under the age of 26.

Here is how it works:

- Eligible students may also insure their Dependents.
- Eligible Dependents are the student's spouse or Domestic Partner and dependent children under 26 years of age.
- See the "Who is Covered" section of the Certificate of Coverage for the specific requirements needed to meet Domestic Partner eligibility.
